**HB 578** “Relative to Services For The Developmentally Disabled.”
This bill clarifies the funding for the developmentally disabled wait list.

**HB 712** “Relative to A Family and Medical Leave Insurance Program.”
This bill establishes a system of paid family and medical leave insurance.

**HB 1121** “Proclaiming October 9 As Pandas/pans Awareness Day.”
This bill requires the governor to annually proclaim October 9 as pediatric autoimmune neuropsychiatric disorder (PANDAS) and pediatric acute-onset neuropsychiatric syndrome awareness (PANS) day.

**HB 1128** “Adding Deaf or Hard Of Hearing to The Medical Conditions That May Be Indicated On A Driver's License or Nondriver's Identification.”
This bill adds deaf or hard of hearing to the medical conditions that may be indicated on a driver's license or nondriver's identification card.

**HB 1183** “Establishing A Committee to Study The Registration Of Lobbyists.”
Rep. Werner Horn
This bill establishes a committee to study the registration of lobbyists under RSA 15.

**HB 1188** “Relative to Conditional Licenses Of Allied Health Professionals.”
Rep. Peter Schmidt
This bill repeals the provision allowing certain applicants for licensure as allied health professionals to practice on a conditional basis pending the results of a criminal history record check.

**HB 1232** “Relative to The Burden Of Proof In Special Education Hearings.”
This bill provides that the burden of proving the appropriateness of a child's special education placement or program is on the school district or other public agency.

**HB 1233** “Relative to Coverage For Children's Early Intervention Services.”
Rep. Mary Jane Wallner; Rep. Sharon Nordgren
This bill clarifies the law regarding insurance benefits for children's early intervention services.

**HB 1239** “Relative to Eligibility For The Supplemental Nutritional Assistance Program.”
This bill provides that the department of health and human services shall enable participants in the food stamp program to complete the renewal process electronically if the household includes a member with an illness, injury, or disability.
HB 1245 “Establishing A Legislative Committee to Review Non-regulatory Boards, Commissions, Councils, Advisory Committees, and Task Forces.”
This bill establishes a legislative committee to review all non-regulatory boards, commissions, councils, advisory committees, and task forces established by statute.

HB 1267 “Relative to The Liability Of Directors and Officers Of New Hampshire Nonprofit Corporations.”
This bill modifies the limitation on liability of directors and officers of New Hampshire nonprofit corporations.

HB 1280 “Relative to Copayments For Insulin.”
This bill requires insurers to cap the total amount for insulin for covered persons.

HB 1281 (new Title) “Requiring Insurance Coverage For Epinephrine Auto- injectors.”
This bill requires insurance coverage for epipens.

HB 1282 “Relative to Changing A Pupil's School or Assignment Because Of A Manifest Educational Hardship.”
This bill revises the procedures for a change of school or assignment because of manifest educational hardship.

HB 1286 “Relative to The Licensure and Regulation Of Music Therapists.”
This bill establishes the music therapy governing board in the office of allied health professionals for the licensure and regulation of practitioners of music therapy.

HB 1303 “Establishing A Commission to Study Expanding Public Testimony Opportunities to Remote Locations Statewide.”
This bill establishes a commission to study expanding public testimony opportunities to remote locations statewide.

HB 1305 “Relative to Consideration Of Home-share Income.”
This bill exempts income from a home-share arrangement from the determination of net assets for purposes of determining eligibility for certain property tax exemptions. The bill also exempts such income from public assistance eligibility determinations.

HB 1328 “Relative to A Change Of School or Assignment Due to Manifest Educational Hardship.”
This bill modifies provisions regarding a change of school or assignment because of an educational hardship.
HB 1346 “Requiring The Insurance Department to Make A Report Regarding The Impact Of Insurance Coverage For Pediatric Autoimmune Neuropsychiatric Disorders.”
This bill requires the insurance department to make a report regarding the impact of insurance coverage for pediatric autoimmune neuropsychiatric disorders.

HB 1358 “Relative to The Identification Of Lobbyists.”
Rep. Timothy Smith
This bill requires lobbyists, and volunteers acting on behalf of lobbyists, to identify themselves as such when contacting members of the legislature, legislative staff, or members of the executive branch.

HB 1411 “Establishing A Commission to Study Long-term Supports and Services In New Hampshire.”
This bill establishes a commission to study long-term supports and services in New Hampshire.

HB 1436 “Relative to Autism Spectrum Disorder Insurance Coverage.”
This bill increases the insurance coverage for autism spectrum disorder.

HB 1454 “Relative to Credit For Alternative, Extended Learning, and Work-based Programs.”
This bill authorizes local school boards to grant academic credit for alternative, extended learning, and work-based programs.

HB 1457 “Requiring Election Officers and Supervisors Of The Checklist to Visit Skilled Nursing Facilities and Elderly and Disabled Residences Within Their Jurisdiction For The Purpose Of Assisting with Voter Registration and Casting Absentee Ballots.”
This bill requires elections officers and supervisors of the checklist to visit skilled nursing facilities and elderly and disabled residences within their jurisdiction for the purpose of assisting with voter registration and casting absentee ballots.

HB 1473 “Requiring Schools to Have A Special Education Parent Advisory Council.”
This bill requires a school administrative unit to establish a special education parent advisory council.

*HB 1485 “Relative to The Installation Of Video Surveillance Cameras In Community Homes and Group Homes.”
This bill requires video surveillance cameras in group homes, residential and day schools, and buildings where services are provided for children and adults with disabilities.
HB 1486 “Establishing A Committee to Study Information Technology In The Legislative Process.”
This bill establishes a committee to study information technology in the legislative process.

HB 1513 “Requiring The Commissioner Of The Department Of Health and Human Services to Study The Conversion Of The Medicaid Program to Block Grant Funding and Making An Appropriation Therefor.”
This bill requires the commissioner of the department of health and human services to conduct a study of converting the current Medicaid program into a block grant via a section 1115 waiver. The bill makes an appropriation for the purposes of the bill.

HB 1520 “Establishing The New Hampshire Health Policy Commission.”
This bill establishes the New Hampshire health policy commission to monitor health care delivery and spending.

HB 1530 “Relative to The Medicaid Dental Benefit Working Group.”
Rep. Jennifer Bernet
This bill extends the report date for the Medicaid dental benefit working group.

HB 1543 “Relative to Employee Drug Testing.”
This bill prohibits an employer from using a failed drug test for cannabis use as grounds for terminating the employment of, or to deny promotion to, any employee.

HB 1545 “Relative to Regulation Of Interpreters For The Deaf, Deaf Blind, and Hard Of Hearing.”
This bill makes various changes to the licensure of interpreters for the deaf and hard of hearing and the regulation by the board of deaf and hard of hearing, including adding references to deafblind persons, revising definitions, clarifying licensure requirements, requiring waivers for persons who use an unlicensed interpreter, and authorizing the assessment of administrative fines.

HB 1547 “Eliminating Fees For Walking Disability Placards.”
Rep. George Sykes
This bill eliminates the fee associated with applying for a walking disability placard.

HB 1548 “Establishing A Secure Psychiatric Unit Facility Advisory Council.”
This bill establishes the secure psychiatric unit facility advisory council to assist the commissioner of the department of health and human services in constructing a new secure psychiatric unit facility as required under 2019, 346:357.

HB 1558 “Relative to The Provision Of Special Education Services For Older Students.”
This bill modifies the definition of "child with a disability" to include persons 21 years of age.
HB 1576 “Establishing A Targeted Workforce Development Program.”
Rep. Deanna Jurius
This bill establishes the targeted workforce development program and workforce development fund.

HB 1607 “Relative to Liability For Wrongful Acts In An Employer/employee Relationship.”
This bill provides that an employee shall be immune from civil or criminal liability for any act performed as part of the employee's official scope of duty, whether express or implied, in which the employee unintentionally violates the law.

HB 1636 “Relative to Special Education Services For Children In Charter Schools.”
I. Requires the resident district to fund a free and appropriate education to a child with disabilities attending a chartered public school. II. Requires the resident district of a child with a disability to obtain written consent of the child's parent before changing the nature of the child's services.

HB 1639 “Relative to "in and Out Medical Assistance.”
This bill requires the department of health and human services to amend the income standard used for eligibility for the "in and out" medical assistance policy.

HB 1659 “Relative to Patient Directed Care and Patient's Rights with Regard to End-of-life Decisions.”
This bill allows a mentally competent person who is 18 years of age or older and who has been diagnosed as having a terminal disease by the patient’s attending physician and a consulting physician to request a prescription for medication which will enable the patient to control the time, place, and manner of such patient's death. Under this bill, the request is witnessed and signed in essentially the same manner as an advance directive. The bill requires the division of public health services, department of health and human services, to collect certain information and compile a statistical analysis of such information.

HB 1660 “Establishing A Protective Order For Vulnerable Adults.”
This bill establishes a procedure for protective orders for vulnerable adults.

HB 1668 “Relative to Early Voting For Persons with Disabilities.”
This bill permits persons with disabilities to vote within the 30 days immediately preceding an election.

HB 1669 “Requiring Electronic Filing Of Lobbyist's Forms and Statements.”
Rep. Werner Horn
This bill requires that one year after implementation of an electronic filing system by the secretary of state, the registration forms and fee and expense reports of lobbyists shall be filed electronically with the secretary of state and made available as public records on the department of state’s Internet site.

*HB 1673 “Relative to The Definition Of "public Body" Under The Right-to-know Law.”
This bill adds all entities which receive state funding to the definition of "public body" under the right-to-know law.

**HB 1686 “Relative to The Medicaid to Schools Program.”**
This bill adds medical services to the services eligible for the medicaid to schools program. This bill also requires the commissioner of the department of health and human services to submit an annual report regarding the Medicaid to schools program.

**SB 538 “Establishing A Commission to Study Property Tax Exemptions For Charitable Organizations.”**
Sen. Melanie Levesque; Sen. James Gray; Sen. Shannon Chandley
This bill establishes a commission to study property tax exemptions for charitable organizations.

**SB 547 “Relative to An Electronic Prescription Drug Program.”**
Sen. Jon Morgan; Sen. Cindy Rosenwald; Sen. Martha Fuller Clark
This bill requires electronic prescribing for controlled drugs under certain circumstances.

This bill provides that as part of the system of care for children's mental health under RSA 135-F, the department of education shall assist school districts in using the multi-tiered system of supports for behavioral health and wellness or MTSS-B.

**SB 684 “Relative to Medicaid to Schools.”**
I. Authorizes the department of education to adopt rules relative to federal funding available to schools under New Hampshire’s Medicaid program. II. Permits professionals certified by the department of education who are providing medical services in public schools to be licensed by medical and health care boards.

**SB 691 “Relative to Prior Authorization For Prescription Drug Coverage.”**
This bill clarifies the procedure for prior authorization for prescription drugs on the formulary under the managed care law. This bill is a request of the insurance department.

**SB 700** “Adding Autism to Qualifying Conditions For The Use Of Cannabis For Therapeutic Purposes Law.”
This bill adds autism to qualifying medical conditions under therapeutic use of cannabis.

**SB 701** “Relative to Management Of The Secure Psychiatric Unit Facility At New Hampshire Hospital.”
This bill declares that the management of the new secure psychiatric unit facility shall be the responsibility of the department of health and human services. Under this bill, the department shall not enter into a contract for the construction or operation of the facility with a private for profit prison construction or management company.

*SB 714* “Relative to Services For The Developmentally Disabled.”
This bill clarifies the funding for the developmentally disabled wait list. This bill is a request of the department of health and human services.

**SB 716** “Relative to Medicaid Coverage For Child Health and Development.”
This bill expands Medicaid coverage for services intended to support healthy childhood development. The bill also directs the department of health and human services to complete a fiscal impact study regarding expansion of Medicaid coverage for childhood mental health services and directs the department to develop a plan to maximize the use of EPSDT and IECMH benefits under Medicaid.

**SB 730** “Establishing The Granite State Paid Family Leave Plan.”
This bill establishes the granite state paid family leave plan.

*SB 754* “Establishing A Dental Benefit Under The State Medicaid Program.”
This bill requires the commissioner of the department of health and human services to solicit information and to contract with dental managed care organizations to provide dental care to persons under the Medicaid managed care program.
